Canción

This is a new project we're going to start.

You have to follow these steps:

- Select a song you like.
- Explain somethings about the group/band/soloist:
  - Number of musicians.
  - Breve history of the band.
  - Any anecdote or curious fact?
- Explain the song you have selected.
  - Style
  - Lyrics
  - Etc.
- Why do you like it? Why do you recommend it?

Once you have prepared all this information, practice at home to tell it in front of a camera and we will record

❖ You can do this in Spanish, English or both.
